How to move around Perugia by public transport

The urban transport service is managed by Busitalia - Sita Nord with connections that reach the various districts and areas outside the historic center. The UP-UNICO PERUGIA ticket allows you to take advantage of both the city bus service and the innovative Minimetrò. The minimetrò is the new urban transport system to and from the historic centre, connecting the Pian di Massiano area with the historic centre. The surface metro from the stadium area takes you to the centre, touching all the stations. Stations: Terminal Pian di Massiano; Cortonese station; Madonna Alta station; Fontivegge station; Case Bruciate station; Cupa Station; Pincetto Terminal.

NEW BUS TERMINAL • PIAZZA PARTIGIANI, PERUGIA

The new bus terminal serving Perugia's city and external bus lines has been operative since 1999. The structure covers an area of 8,000 square metres and is used by 5,000 passengers daily, 2,000 of which between 1.10 and 2pm. The terminal is equipped with optimum facilities for clients and advanced information systems. The terminal functions as an arrival and departure point for lines running outside Perugia, as well as a connection point for the city lines.
